

THE IPORT DIFFERENCE

A true partnership, combining modern design with the highest quality standards centered around your current and future business needs

iPort Cambridge is a leading tier-1 logistics and industrial campus, strategically located in the center of Waterloo Region directly along major US-Canada transportation corridors providing access to over 150 million consumers within a one day's drive, an unmatched highly skilled labour force, 2 international airports and 6 border crossings. We are ideally positioned to provide logistics solutions to companies looking to target both Canadian and U.S. industrial and consumer marketplaces.

iPort Cambridge is your long-term partner dedicated to understanding your business and helping you plan for the future. With 300 acres and over 4 million square feet, our campus is designed to accommodate phased state-of-the-art speculative buildings and build-to-suit opportunities of various sizes. Our desire is to help you grow, expand, and cultivate your business with us for years to come.

Waterloo Region is one of the fastest growing and strongest economic areas in Canada. Located in the middle of Toronto-Waterloo Innovation Corridor, and within an hour drive of the Greater Toronto Area (GTA), the City of Cambridge is a great place to do business.

- Cambridge's location provides a consumer market of 1 million people within 30 mile radius, 6 million people within 65 miles and 130 million people within one day's trucking
- Ideally located with ease of access to major U.S. border crossings
- Located in prime manufacturing location due to sophisticated highway system and suitable climate
- Convenient access (50 minutes) to Toronto's "Lester B. Pearson International Airport", and 25 minutes to Hamilton's John C. Munro International Airport, and home to the Waterloo Regional Airport
- International shipping via Port of Toronto and Hamilton permitting direct access to the Atlantic ocean and international shipping routes three-quarters of the year
- Optimally located just 1 hour and 20 minutes from Downtown Toronto Core. Prime hub for business and lifestyle benefits alike

ACCESS TO **HIGH QUALITY, AFFORDABLE TALENT**

WATERLOO · A GREAT PLACE TO DO BUSINESS

Waterloo Region is the second fastest growing CMA in Canada 580,000 + people

- WATERLOO REGION IS HOME TO...
- Three highly ranked post-secondary institutions and more than 73,000 students
 - Conestoga College Institute of Technology and Advanced Learning, a leader in polytechnic education, provides Ontario's only college-based, accredited engineering degrees and is home to the Centre for Smart Manufacturing
